

Australia Citizens Visiting Namibia:

Thank you for choosing to Visit Namibia

New Legal Visa Requirements before Arriving : **Effective 1 April , 2025**

Step by Step Suggested Guide:

Visa Upon Arrival – Means your Pre Approved Visa Issued by eservices enables you to be processed at the Entry Border Quickly and Efficiently. Attempting to apply on arrival is not correct and accurate and could result in disappointment , there are many non official sites that still advise that Australians can apply at the border on arrival and this is not correct.

Facilities at every border vary and it is highly recommended that you have your Visa Approved before leaving Australia or Outside of Namibia before entering by Air, Road or Ship.

If you are in transit and will not leave a Ship you do not need a Visa but if you decide at the last moment to join a tour onshore your application when you disembark and try to exit into Namibia and apply on the spot may well be unsuccessful and delay other passengers around you who have complied with the regulation.
